# THE ORGANISERS

The International Futsal Alliance (IFA) is a co-operative of like minded groups around the world who support and have a passion for futsal and want to work together to see it's successful development.

All IFA tournaments are played under FIFA rules, and the majority of members are affiliated to and supportive of FIFA's development and management of Futsal across the World. IFA will continue to work with all nationals to develop the sport.

The event will be hosted by Barcelona Futsal Tours. This company was established with the idea to bring other countries the Spanish Futsal Methodology. Barcelona Futsal Tours seek to give to teams from across the world opportunity to learn and improve their futsal knowledge while seeing one of the most beautiful cities in the world.
